A message from the Head teacher

Another fantastic class assembly

5ZA performed their class assembly on The Jabberwocky. They have been studying the narrative poem in English, and have been using it as inspiration to write our their own adventure story. The assembly showcased the class talents for acting, singing and even playing the trumpet! It was a brilliant performance!

Parents Forum

Thank you to the parents and carers who were able to attend the Parent Forum after 5ZA's class assembly. Please check your emails to find out what was discussed!
