Welcome Back

A positive Ofsted report

It is really pleasing to start a new year of school with excellent news. We are proud to be officially a 'good' school now, following our journey from Special Measures in 2012. Our bus to Outstanding is certainly heading up the mountain!

The Ofsted judgement will hopefully ensure local families choose us as a school of choice and the school community doesn't have to travel long distances to school every day.

The inspection team noted many strengths of the school,

reporting that the teaching is good and children make good progress because they practise basic skills regularly.

We have already written our plan to hopefully move to Outstanding.

Parents can help us by ensuring pupils attend school every day as the current attendance figures would stop us reaching the Outstanding judgement!

Please spread the word about the Ofsted rating as we do have spaces in Reception, Year 1 and 2.

Renovating the building

Parents have commented how smart the school looks after the summer break. The concrete works are fully completed and the telephone mast has been removed. The listed building is finally back to looking great, just in time to celebrate our 80th anniversary.

The work over the summer has seen Year 6 classrooms redeveloped, several areas painted and the girls' toilets refitted.

The next renovation project will see the boys' toilet renewed at half term.
