## Anti Bullying Week

Week beginning 13 November

Anti-Bullying Week shines a spotlight on bullying and encourages all children, teachers and parents to take action against bullying throughout the year. The theme this year is 'All Different, All Equal'

This Anti-Bullying Week we will empower the children to celebrate what makes them and others unique, as well as helping them to understand how important it is that every child feels valued and included in school, able to be themselves, without fear of bullying. We will encourage parents and carers to work with us and talk to their children about bullying, difference and equality. The children will be attending an anti-bullying assembly and engaging in circle time celebrating their differences and similarities. A competition will be launched to design an anti-bullying poster which will be published on our website and around our school.

Please remember, every class teacher is outside at the end of the day—so please do not hesitate to speak with us.

Remember to use our website, download our APP and follow us on Facebook.

For Children in Need on Friday 17 November, the children can donate £1 to bring a small teddy bear to school for the day. Hopefully we can raise some money for this great charity.
