A message from the Head teacher

WELCOME BACK EVERYONE!

It gives me great pleasure to welcome everyone back to school for another fantastic year! I do hope you all had an enjoyable and relaxing break. There are lots of new and exciting things happening at De Bohun this year, including our brand new school website, our new Children's Centre and Pre-School playground, a brand new Pre-School and Nursery building and much, much more!

All of our talented and hard working staff will once again be doing their very best to ensure that every child gets every opportunity to excel and personally, I look forward to seeing what this year brings!

If you have any questions, comments or worries, our team are always here to help. Just stop us in the playground or contact the Main Office and make an appointment.

Let's have another excellent year!

Mr Smart

Did you know?

This year, all primary schools received more funding for Physical Education. We have put this to good use by employing two more Physical Education Coaches to work with Mr Lyons at lunchtime. This means that all of our children can now have access to high quality physical education, not only during their lessons, but also at lunchtime! Let's find the next Usain Bolt, Jessica Ennis or Mo Farah at De Bohun!

Attendance

Congratulations to 6JS, who were the best attending class this week! Look for more information about attendance in our half-termly attendance newsletter.

From possibility to reality...

De Bohun Primary School & Children's Centre
