De Bohun Primary School

3/17/2017

Spring Term

Communication

Did you know that last year, the school spent **£2500** on text messaging?

When school budgets are as tight as they are, it's important we make every £1 focussed on our core purpose – quality teaching and learning. We need your help! Below are all the ways we can communicate with you. If everyone ensures they have access to every communication method, we will not need our text messaging service and can invest the money in a much more productive way!

Do you use all of these? If not, start today!

School Meals

We are currently working really hard with Enfield to ensure the best possible provision. We have heard that, sometimes, the kitchen runs out of one of the options. We have ensured that there will always be two main options available.

Save the date!

The Friends are hosting the annual Fun Day on **Saturday 1 July!**

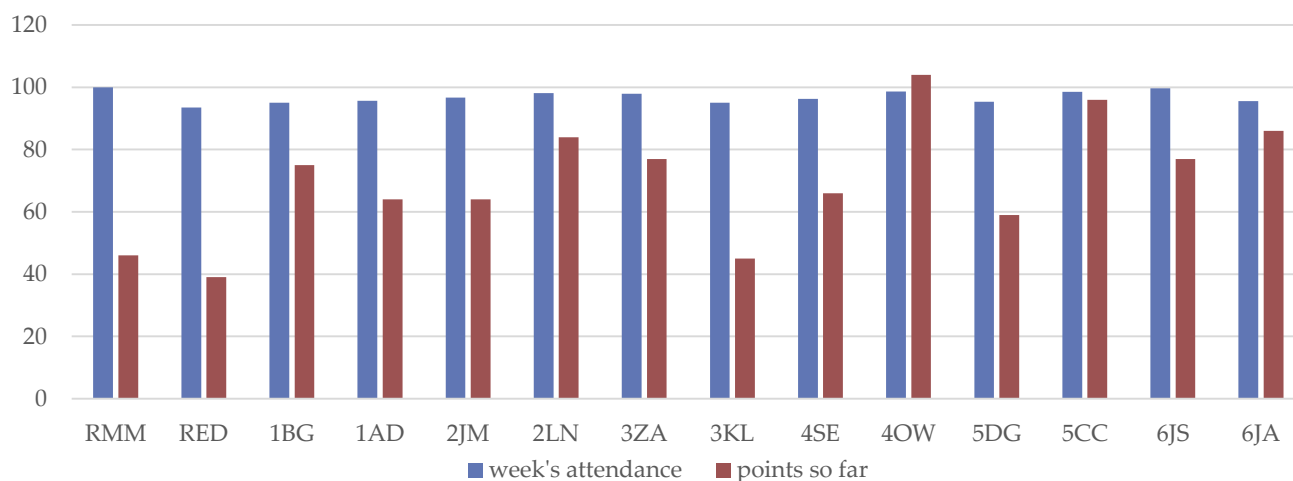

We need as many volunteers as possible. If you can help please speak to the Main Office.

Scooter and bikes

Please ensure that scooters and bikes are not used within the school grounds. It is not safe and we have many very young children who could be hurt.

This week's attendance...

Questionnaire- Since attending Homework Club:

100% of pupils agreed the staff had supported their learning.

94% of pupils agreed their learning in school had improved.

100% of parents agreed their child's learning had improved.

82% of parents felt confident to support their child's learning themselves.

Come to Homework club every Wednesday and Thursday 3:30-4:30.

Breakfast Club

Please be reminded that children should not be left in the playground to come into breakfast club on their own. We are having incidences of children being left very early or not making their way to the club at all. Please bring your child to the door.
