Please check your calendar or the school's website for key dates!

At De Bohun we strive to provide a caring ethos where everyone in the school community feels safe, confident, valued and respected. We promote good relationships so that everyone can work together to support learning. Merits and ticks are part of our reward system to encourage pupils to apply their full efforts in all areas of the curriculum and aspects of school life. A big congratulations to all the pupils who have received their bronze and silver badges so far this year. Can you reach gold or even platinum by the end of the year?

GOOD NEWS!

Over the past year we have been working with the Local Authority to secure funding for an additional building for our expanding numbers in our amazing Early Years' provision.

We are pleased to announce that the final plans were signed off on Friday, and a new classroom will be built opposite the current Nursery. The outside area in that space will be redeveloped, and we have also secured funding for additional learning resources. The building work will start on Monday 28 January.

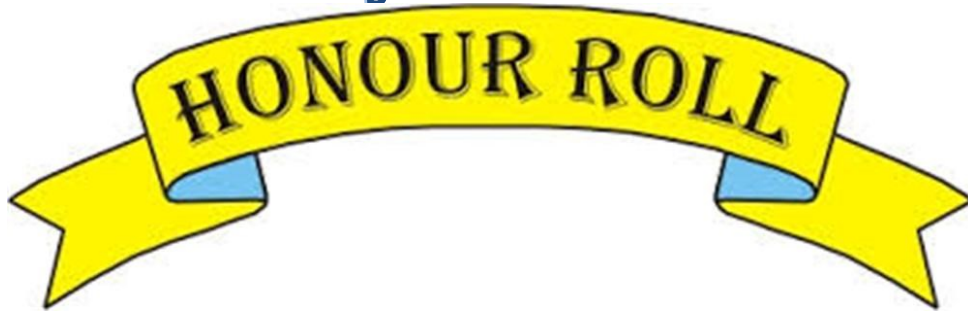

We have recently appointed a new member of staff, Miss Opoku-Abebresah. Miss Opoku-Abebresah's role will be to help Mrs Gregoriou in Computing lessons and also manage the school's website, social media and communication platforms.

Welcome to the team!

From possibility to reality...

De Bohun Primary School & Children's Centre
