Staffing Update

Next Friday De Bohun will say goodbye to Mrs Bell (Jacobs) in Key Stage 2. We are very sad to see Mrs Bell leave as she takes up a promotion and moves to a local secondary school.

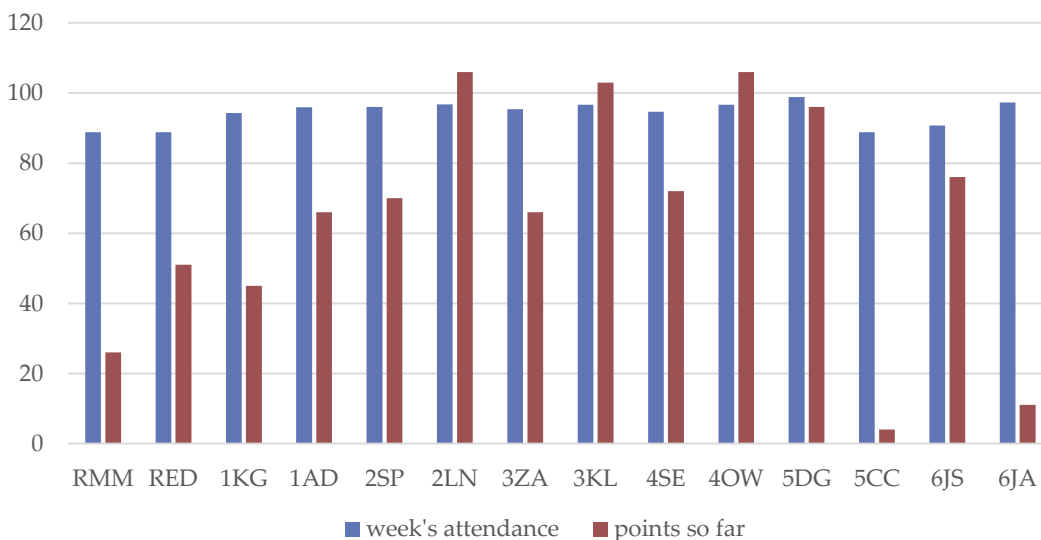

Mrs Perkinson is recovering well and will hopefully start back at school on a part time basis, before the Christmas holidays. To ensure the children in Year 2 have a consistent approach to learning, Mrs Bruney will remain in 2SP until the end of the year.

Parental Questionnaires

Thank you to all parents who took the time to complete the questionnaires. We do value your feedback and use the comments to enhance the provision at the school. The results will be published on our website shortly. We can see that some parents would like more homework for their children. It is important that children are given challenge but maintain a good work-life balance.

We have been reviewing the homework provision in recent weeks and will be holding an open evening in January to launch the new homework resources.

Helping Homeless Young People This Winter

We are working with a number of other schools in Enfield, to raise the awareness of homelessness, this winter.

Next Friday parents, teachers and children to invited to join the 'Candle Night' event in Enfield Town, to raise money for the charity, Centrepoint. The evening has been organised by John Gilbert who works with a number of schools, hosting drama and debating festivals that De Bohun pupils have attended.

During our end of term concerts, we will have a collection for the charity and hopefully help some young people, during this cold period.

Together, let's light up Enfield to raise money and awareness for a fantastic charity!

give homeless young people a future

Please join children, parents, teachers and head teachers on the green, outside Enfield Library at 5pm - 10pm Friday 2nd December.

How will your donation help?

- Lifting young people off the cold streets.
- Every 50 candles lit means a young Londoner will be given light, warmth & hope.
- Giving them food, a bed to sleep in, a medical check-up, change of clothes and most importantly... A change of

life!

Parent Governor Vacancy

Governors are one of the largest volunteer forces in the country and have an important part to play in raising school standards. The role of the governing board is absolutely key to the effectiveness of a school. Time and time again Ofsted (the national inspection body for schools) has noted that the most effective schools demonstrate effective leadership and management - including by the governing board.

If you would like more information you could also speak to one of our existing parent governors, Nicole Downes, Chris Skilbeck or Clare Lindop and contact myself via the school office.

Regards Lucy Peatfield Chair of Governors
