COMMUNICATION

We are continually striving to improve communication with our parents and carers. This week you received a calendar showing the important events happening across the year. By knowing these dates well in advance, we hope more parents will have the opportunity to attend events such as class assemblies and parent/carer coffee mornings. We also hope the 'Who to speak to' guide you received will be useful when you want to contact a member of staff. Please remember to visit our website and Facebook page to keep up to date on what is happening at school. Have a great weekend .

Yesterday at De Bohun, we had our first class assembly of the year!

5ZA's assembly was all about Buddhism! A topic they have been learning all about in their RE lessons this term! 5ZA acted out the story of how Buddhism began!

A big well done to 5ZA and than you to all the parents and carers who came to watch!

Today Andrew and Adam from STEP Teachers presented the school with two robot building kits. The children are very excited to build their own robots in school. Thank you very much.

Success with every move!! Come and join the School Chess Club

The School chess team is looking for children in Y1 to Y6 to join the chess club and be part of the team. We are planning to take part in friendly chess match with another school. If your child knows how to play chess we would love to meet them in the free trial. If they are a complete beginner, we can teach them the basics and get them started playing chess.

Other benefits of chess are improved creativity, concentration, critical thinking, abstract reasoning, pattern recognition and problem-solving skills. These skills acquired in learning chess will enhance your child's logical thinking and mental agility.

Free trial held at De Bohun School on

Wednesday 10th October 2018 from 3.30 to 4.30 pm

Should you have any questions please call me from 9 am to 9 pm (07913 024737)

Kind Regards

Mrs. Kumar (VR Talent Ltd)
