

Alex Baird – Governor Bio

I taught Physical Education and Mathematics for twelve years in a wide variety of schools in both the UK and Australia. After completing a MSc in Physical Education and Sport Pedagogy, I became Head of Department and then Director of Sport. I have now made the transition into lecturing in Higher Education which has allowed me to start a Doctorate in Education and publish research around social justice in Education. Sport has always been a pivotal focus of my life, I have been lucky enough to have had the opportunity to play hockey for England at U18 level and more recently I have pursued running, obtaining a Championship place in the London Marathon. I continue to represent Trent Park running club.
