

De Bohun Governors

Our Purpose

We are volunteers who work with the school to:

- Agree the school's vision and strategy
- Make sure children make good progress with their learning
- Make sure the school's money is spent well

Who are we?

We want you to know who we are, in case you ever want to talk to a governor.

If you have a question, suggestion or comment about the day-to-day running of the school, it is important that you raise it first with school staff, using the guidelines over the page.

We would also like you to talk to governors about school matters that are important to you, because part of our role is to listen to parent's opinions and take account of them in our work.

Lucy Peatfield,
Chair of Governors and
Child Protection Governor

Gordon Stubberfield,
