De Bohun Primary School & Children's Centre

1.0 AIMS AND OBJECTIVES

At De Bohun we strive to provide a caring ethos where everyone in the school community feels safe, confident, valued and respected. The primary aim of our behaviour policy is to promote good relationships so that everyone can work together to support learning.

The Behaviour Policy should acknowledge the school's legal duties under the Equality Act 2010, in respect of safeguarding and in respect of pupils with special educational needs (SEN)

2.0 THE BEHAVIOUR CODE

Outstanding behaviour at De Bohun is learnt through following the behaviour code. Our behaviour code is based upon 5 key areas:

- Awarding ticks and merits for good behaviour for learning (Appendix A)
- Adopting the Learning to Learn skills (Appendix B)
- Keeping the Golden Rules (Appendix C)
- Embedding core British Values (Appendix D)
- Adhering to the Every Action has a Consequence Behaviour Flow Chart (Appendix E i & ii)

This behaviour policy sets out rules and responsibilities to ensure this behaviour code can be achieved by everyone. Good behaviour is awarded by receiving ticks and merits. This also applies to playtimes and lunchtime. The children follow rules for:

- Playground rules (Appendix F)
- Wet play rules (Appendix G)

We understand the children with a Special Educational Need or Disability on roll in our Additionally Resourced Provision (ARP) may find adhering to the behaviour code challenging due. We still have a high expectation of behaviour from all children on roll in the ARP, however, the children follow slightly different behaviour guidelines (Appendix J)

3.0 STAFF RESPONSIBILITY

It is the responsibility of all staff to:

- Follow the school behaviour policy
- Treat children fairly, with respect and understanding.
- Understand that children's behaviour may be a sign that they are suffering harm or that they may have been traumatised by abuse
- To promote emotional health and well-being and help pupils to understand their feelings.
- Oversee the safe use of technology and take action immediately if they are concerned about bullying or a child's well being
- Only use raised voices when children are in immediate danger.
- Have high expectations of the children with regard to behaviour
- Model positive behaviour
- Ensure that school rules are enforced at all times
- Provide opportunities for the promotion of the Learning to Learn skills and core British values
- Work together with pupils and their parents in reviewing their behaviour
- Keep clear records of pupil progress
- Record and pass on records of serious incidents or concerns to the Senior Leadership team (SLT)
- Keep up to date records of communication with parents and with other agencies.
- Follow the policy for the use of reasonable force and restraint guidance and to have appropriate training if appropriate.

De Bohun Primary School & Children's Centre

- Follow the behaviour policy on school trips and sports activities.
- Follow the behaviour policy in breakfast club and after school clubs.

4.0 THE HEADTEACHER

It is the responsibility of the Headteacher to:

- Ensure the health, safety and welfare and learning of all children in school.
- Report to the Governors any exclusions, racial incidents and incidents of bullying.
- Give fixed term exclusions to individual children in line with the behaviour code. The Headteacher may permanently exclude a pupil for repeated or very serious acts of anti-social behaviour. The Headteacher will notify the governing body of such actions.
- Ensure that pupils complete assigned work if they are excluded.

5.0 PUPILS' RESPONSIBILITY

It is the responsibility of pupils to:

- Treat other people with respect
- Keep the Golden Rules
- Adopt the Learning to Learn skills
- Follow core British Values
- To take responsibility for their actions
- Earn ticks and merits
- Communicate their views and concerns to staff and parents
- Be involved in target setting when appropriate

6.0 PARENTS' RESPONSIBILITY

It is the responsibility of parents to:

- Treat other people with respect
- To be actively involved in reviewing their child's progress by attending parent meetings
- Familiarise themselves with school procedures, rules and consequences.
- Ensure their child attends school punctually every day
- Inform staff about any circumstance or changes of circumstance that could affect their child's behaviour.
- Implement the Home School Agreement

7.0 GOVERNORS' RESPONSIBILITY

It is the responsibility of the Governing Body to:

- Make a positive contribution to the development and monitoring of the behaviour policy.
- Set down these general guidelines on standards of discipline and behaviour and of reviewing their effectiveness
- Support the head teacher in carrying out these guidelines
- Be informed of any exclusions, racial incidents and incidents of bullying (See Appendix H) and to be satisfied that all measures are lawful.
- To make, and review a written statement of general principles to guide the Headteacher in determining measures to promote good behaviour and discipline amongst pupils. Before making statement, the Governing Body must consult Head teacher, staff, pupils, and parents.
- Pastoral care for school staff accused of misconduct; and
- When a multi- agency assessment should be considered for pupils who display continuous disruptive behaviour.
- To award Platinum Merit certificates and badges in Golden Assembly.

Merit Cards

Merits and ticks are part of our reward system to encourage pupils to utilize their full efforts in all areas of the curriculum and aspects of school life.

Pupils can earn merits and ticks from any member of school staff in two ways:

- They can earn a whole merit for outstanding behaviour, behaviour for learning and learning outcomes or
- They can collect ticks to earn a whole merit.

Pupils will start at bronze level and continue to silver, gold and platinum. All classrooms from Reception to Y6 have the pupils' merit cards on display. Pupil names will move to the next level on the display board once their card is completed.

Completed merit cards are given to the Senior Leadership Team (SLT) and the children will receive a badge and a certificate in Golden Assembly. When a pupil completes their platinum merit card, a governor will present their badge and certificate in Golden Assembly in celebration of the pupil's outstanding achievement.

'For every action there is a consequence'

Occasionally a pupil may choose to behave inappropriately. In order to support the rights of other members of the school community these actions will have consequences.

Children are made aware of inappropriate behaviour and the consequences for their actions. A meeting is arranged with parents (Level 2+) all incidents are logged and monitored by the Inclusion Team, Phase Leaders or the Senior Leadership Team. The Head Teacher and Deputy Head Teacher reserve the right to use these consequences as they see fit, i.e. without following the order as stated below, depending on the severity of the behaviour.

APPENDIX H

Bullying can happen in any school. At De Bohun Primary School, it is rare.

Definition

Bullying is actions that are meant to be hurtful and which happen on a regular basis. Bullying can be direct (physical or verbal) or indirect (e.g. being ignored or not spoken to). There can be specific types of bullying, including homophobic bullying. All are treated extremely seriously at De Bohun Primary School.

Aims and objectives

Our school is a safe and secure environment where everyone can learn without anxiety. Bullying is wrong and damages children's social and / or emotional health. We therefore do all we can to prevent it by sustaining a positive, happy and healthy whole school ethos in which bullying is regarded as unacceptable. We have trained peer mentors to support pupils at breaktime.

CYBERBULLYING

Definition

"Cyberbullying is the use of Information Communication Technology (ICT), particularly mobile phones and the internet, to deliberately upset someone"

DCSF 2007

There are many types of cyberbullying. Although there may be some of which we are unaware, here are the more common:

1. Text messages that are threatening or cause discomfort
2. Picture / video-clips via mobile phone cameras - images sent to others to make the victim feel threatened or embarrassed
3. Mobile phone calls: silent calls or abusive messages or stealing the victim's phone and using it to harass others, to make them believe the victim is responsible
4. Emails: threatening or bullying emails, often sent using a pseudonym or somebody else's name
5. Chatroom bullying: menacing or upsetting responses to children or young people when they are in a web-based chatroom
6. Instant messaging (IM): unpleasant messages sent while children conduct real-time conversations online using MSM (Microsoft Messenger) or Yahoo Chat (although there are others)
7. Bullying via websites: use of defamatory blogs, personal websites and social networking sites e.g. Facebook, Instagram and Twitter, WhatsApp, Tik Tok and Snapchat

Anti-Racism

Like bullying, racism can exist in any school, even those where its pupils are all made up of one ethnicity. At De Bohun Primary School, it is extremely rare. However, our school is in a multi-cultural community and we have these principles and roles in place to ensure that racism can be quickly stopped.

Definition

De Bohun Primary School & Children's Centre

The Stephen Lawrence Enquiry Report defines racism as: 'conduct or words which advantage or disadvantage people because of their colour, culture or ethnic origin'. A racist incident is defined as 'any incident which is perceived as racist by the victim or any other person'.

Racist behaviour is any hostile or offensive act or expression by a person of one racial / ethnic origin against a person / group of another racial / ethnic origin. It can also be any incitement to act or express themselves in such a manner that would interfere with the peace and comfort of a person / group, regardless of whether that person / group are present or not.

APPENDIX I

Glossary

Exclusions-An exclusion means that a pupil is not allowed to attend school or go on to school premises for a period of time or permanently.

Fixed term exclusion- will be for a fixed number of school days determined by the headteacher

Permanent Exclusion-means the headteacher believes that the school can no longer meet the needs of the child. The Headteacher believes that the child should not be allowed back at the school

Verbal abuse- Verbal abuse is the excessive use of language to undermine someone's dignity and security through insults or humiliation, in a sudden or repeated manner.

Unacceptable behaviour- As referenced in appendix H

Time out- child is removed from the setting to another setting after being given a warning following unacceptable behaviour.

5W- As referenced in Appendix E (i) and E (ii)

APPENDIX J

ARP Behaviour Guidelines

We have a high expectation of behaviour from all children at De Bohun, however, we understand that the children in Rainbow Class have additional needs that might affect their behaviour. We therefore operate with slightly different behaviour expectations for the children in our Additionally Resourced Provision. We understand that children in Rainbow class sometimes exhibit behaviours beyond their control. We recognize that sometimes children time to self-regulate and need to know their own de-escalation strategies regulate their emotions

Reward System in Rainbow Class

Children in Rainbow class have golden time daily and choose a reward at the start of each day during the morning circle time so they have a goal to work towards. They collect stars after each session to earn their reward

The staff in Rainbow class are always prepared to reward the children with praise and 'smiley faces' on the class chart. The stars earned by the children are recorded in the home/school. If the children are beginning to show behaviour that is inappropriate, verbal warnings and visual chances are used to allow the child to correct their behaviour

Unsettled behaviour

If the child is becoming overwhelmed and extremely anxious, the child will be offered a space to calm with adults supporting them. This is the child's choice, often children choose our sensory room. If the child is still showing signs of unsettled behaviour, opportunities will be given to ensure the child has chances to calm with adults supporting the self-regulation process. During this time, if they have become violent, approach trained staff will intervene. If the child has hurt an adult or another child, the next day, the teacher will use the restorative justice book and address anything that may have happened.

Approach Handling

Approach handling is always a last resort. If Approach handling techniques have been used to ensure safety of the child and others a handling form will be completed. Parents will be called to inform them their child has become overwhelmed and that approach handling techniques were used. The form is then discussed with the parent and copy is given to the parent. Children who are at higher risk of needing this intervention have a personalised risk assessment and positive handling plan in place as well as the ARP class as a whole has a risk assessment. Staff involved in the incident then meet to reflect.

De-escalation techniques

Our approach to behaviour in Rainbow class is to do all possible to keep the children calm, despite the anxieties they might be feeling. We use a range of de-escalation techniques such as choices, timers, limited language (if necessary), checklists etc are used – with specific strategies more effective for some children than others.

Covid-19 Addendum

Written by

Zoe Ansell

Date: July 2020

Approved by:

Dominic Smart

Date: July 2020

(Head Teacher)

Lucy Peatfield

(Chair of Governors)

De Bohun Primary School & Children's Centre

At De Bohun Primary School we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other. Whilst expectations in our Behaviour Policy remain pertinent, it is necessary, in light of the Covid-19 pandemic, to make some adjustments for the safety of all pupils and staff.

1. Scope

This addendum applies until further notice.

Unless covered in this addendum, our normal behaviour policy continues to apply.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and pupils.

2. Expectations for pupils in school

2.1 New rules

When pupils are in school, we expect them to follow all of the rules set out below to keep themselves and the rest of the school community safe.

Staff will be familiar with these rules and make sure they are followed consistently.

Parents should also read the rules and ensure that their children follow the new procedures that have been put in place.

Pupils need to adhere:

- To the routines for arriving and leaving the school
- To only interacting with others in their own bubble throughout the school day
- To staying at their own desks where appropriate
- To hygiene routines, such as sanitising and washing hands.
- To routines for sneezing, coughing and tissue disposal ('catch it, bin it, kill it') and avoiding touching their mouth, nose and eyes with hands.
- To preventing coughing and spitting towards any other person.
- To routines for movement around the school (e.g. one-way systems, out of bounds areas, queuing)
- To break time and lunchtime routines and to remain in designated areas.
- To rules around not sharing any equipment, including drinking bottles.
- To not bringing any additional items into school other than lunch boxes, water bottles, clothing and sun cream
- To rules around the use of communal toilets
- To telling an adult if they are experiencing symptoms of Coronavirus

2.2 Rewards and sanctions for following rules

To help encourage pupils to follow the above rules, we will continue to award ticks and merits for children promoting good behaviour for learning

Individual risk assessment will be completed with parents, to support individual pupils to adhere to the new rules.

In the event there are recurring incidents which pose a risk to pupils and staff, parents will be contacted, and children will be collected from school to ensure the safety of themselves and others. The pupil will be instructed to engage with the blended learning offer from home via Google

De Bohun Primary School & Children's Centre

Classroom. Every effort will be made to ensure that the pupil will not be disadvantaged by the blended learning offer. Integration of the pupil into school will be carefully thought out and a plan considered.

Refusal to comply with health and safety and social distancing requirements could heighten the risk of harm to others could result in exclusion which will be decided by the Headteacher.

3. Vulnerable Pupils and Pupils with Special Educational Needs

Children will have had a range of different experiences during the lockdown period which may have an impact on their behaviour presentation upon return to school. Some may present with frustration as a result of being isolated from friends or having missed a significant event or experience. Others may have experienced bereavement or loss or another, real or perceived, traumatic episode. For many, the process of re-engagement with learning and the school community, under unusual circumstances, may require some additional input and encouragement.

As a result of these varied experiences children may present with behaviour that is not usual, this may include;

- Anxiety; lack of confidence
- Challenging behaviour;
- Fight or flight response
- Anger; shouting, crying
- Hyperactivity and difficulties maintaining attention

For some children, including those with attachment concerns or SEN, and especially those with autism, the change in routines and lack of familiarity will require additional adjustment.

De Bohun School recognises that behaviour could be a sign that for some individual children there is an unfulfilled need and that the behaviour is communicating that there is a problem. The school will undertake individual risk assessments for these children and use reasonable endeavours to make the necessary adjustments to reduce the stimulus that may be triggering the challenging response.

Children with SEN are recognised as being particularly vulnerable and therefore have an urgent need to be re-integrated back into school as soon as reasonably possible. School will work closely with parents to implement supportive strategies that will inform an appropriate response. If necessary school will seek external support from other agencies such as Educational Psychologists or Early Help.

4. Expectations for pupils at home

4.1 Remote learning rules

If pupils are not in school, we expect them to follow all of the rules set out below.

Parents should also read the rules and ensure their children follow them. Parents should contact the school if they think their child might not be able to comply with some or all of the rules, so we can consider alternative arrangements with them.

Pupils will need to:

- Complete work to the deadline set by teachers
- Seek help if they need it from teachers.
- Alert teachers if they're not able to complete work
- Use proper online conduct, such as using appropriate language in messages

De Bohun Primary School & Children's Centre

4. Monitoring arrangements

We will review this policy as guidance from the local authority or Department for Education is updated.

5. Links with other policies

This policy links to the following policies and procedures:

- Child protection policy
- Health and safety policy
- Risk Assessment
- Home school Agreement
