De Bohun Primary School & Children's Centre

1. Aim

De Bohun aims to deliver a balanced and carefully planned curriculum, which addresses the needs of our children. Although education provided during school hours must be free, it is recognised that certain educational activities require financial contributions from parents. Without this valuable support our school would find it difficult to provide these additional opportunities to enhance our children's education.

De Bohun aims to:

- Have robust, clear processes in place for charging and remissions;
- Clearly set out the types of activity that can be charged for and when charges will and will not be made; and
- Offer a range of activities and visits while minimising the financial barriers that may prevent some pupils from taking full advantage of these opportunities.

2. Legislation and Guidance

This Charging and Remissions Policy informs staff and parents about charging for School activities. It is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449 to 462 of which set out the law on charging for school activities in England.

It is also based on guidance from the DfE on statutory policies for schools and academy trusts.

3. Definitions

- **Charge:** a fee payable for specifically defined activities.
- **Remission:** the cancellation of a charge which would normally be payable.

4. Roles and Responsibilities

A. The Governing Body

The Governing Body has overall responsibility for approving the Charging and Remissions Policy, but can delegate this to a committee, an individual governor or the Head teacher.

The Governing Body also has overall responsibility for monitoring the implementation of this policy.

The Governing Body delegates the day-to-day responsibility of the Charging and Remissions Policy to the Head teacher.

B. The Head teacher

The Head teacher is responsible for ensuring that staff are familiar with the Charging and Remissions Policy, and that it is being applied consistently.

C. Staff

Staff are responsible for implementing the Charging and Remissions Policy consistently.

De Bohun Primary School & Children's Centre

D. Parents

Parents are expected to notify staff or the Head teacher of any concerns or queries regarding the Charging and Remissions Policy.

B. Optional extras

The School is able to charge for activities known as "optional extras". In these cases, the School can charge for providing materials, books, instruments or equipment. The following are optional extras:

- i. Education provided outside of school time that is not part of:
 - a. The National Curriculum

 - c. Religious education
- ii. Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the School

- viii. Non-teaching staff
- ix. Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

De Bohun Primary School & Children's Centre

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

C. Music tuition

The School can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- i. If the teaching is an essential part of the National Curriculum
- ii. If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- iii. For a pupil who is looked after by a local authority

D. Residential visits

The School can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

7. Voluntary contributions

As an exception to the requirements set out at Section 5 of this policy, the School is able to ask for voluntary contributions from parents to fund specialist curricular activities which would not otherwise be possible. The invitation to make voluntary contributions shall be set out in writing.

Some activities for which the School may ask parents for voluntary contributions include:

- i. School trips
- ii. Sports activities

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay (nor will parents who do not contribute be treated differently from those who do).

If the School is unable to raise enough funds for an activity or visit, then it will be cancelled. If a particular activity cannot take place without sufficient financial help from parents, then this will be made clear in the information sent to them. All financial contributions will be refunded should an activity subsequently be cancelled.

Parents will also be asked to make a contribution towards replacing damaged or lost school property where such damage or loss has been caused wilfully or negligently by their children.

Parents have a right to know how each specialist curricular activity falling within the scope of this
