

Dear De Bohun Primary School Families,

We are delighted to announce that Sport4Kids will be partnering with **De Bohun Primary School** from **January 2021** to deliver a **NEW Breakfast Club & After School Home Club**. S4K are delighted to be partnering with De Bohun and we are extremely excited to support the school and its families. Our popular Breakfast Clubs after school Home Club will follow our philosophies on teaching, child development and our approach to delivering world class sports and activities to your children

Sport4Kids – Who are we?

For those of you who don't know who we are, our philosophy to sport is simple: we aim to revolutionise the way that sport is taught to children through a blend of **child-centric sports activities** and the **best technical skills** coaching from around the globe. Guided by the research of **child psychologists**, we aim to **build confidence in children** through ensuring constant **progression** and **engagement** with sport and healthy habits. We believe in creating a caring and **all-inclusive environment** where children are able to learn and develop their **own skills** on both an individual level and a team level.

Inspiration, Motivation & Education

Our provisions are market leading, providing working parents with a childcare service they can trust. We build the **S4K Circle of Trust** between our coaching team, your children, De Bohun teachers, and also you as a parent or guardian, so that we can make sure that our service is exactly what is wanted and needed. Children access a fun and energetic programme of activities that is designed to promote physical and mental well-being in a safe and nurturing environment. Children can also be provided with a nutritious breakfast and after school snacks and access to 'non-sporty' activities such as **LEGO activities**, **arts and crafts**, **drama**, **music** and **homework** (if requested by the school).

Our **S4K Sport Development Plan** allows us to harness **passion** and/or **talent** in order to allow children to further explore their desire to play a specific sport or take part in a specific activity through our **extra-curricular club** offering, as well as our **weekend based activities** in the community. All of our programs from Care Clubs to Sports Clubs, and weekend-based activities are linked through our **bespoke curriculums** that provide children with a roadmap for developing their sporting ability – regardless of their starting point. In essence, the pathway allows every child to realise their potential.

Fun and Care

Our weekly schedule in Home Clubs follow a theme of helping children to enjoy physical activity, have fun and stay safe. Our daily themes are designed to help achieve this and include:

- Fun Fitness Games
- Active Play
- Sports Coaching
- Arts & Crafts
- Relaxation & Mental-Wellbeing

1. Prices for the **Breakfast Club** will be;

£4.00 7.30 – 8.50 (includes breakfast)

2. Prices for the **Home Club** will be:
