

Homework at De Bohun

Maths

Children from years 2-6 will be receiving on-line homework. Each child will be given a letter with their own username and password on. You can access the maths website here: www.mymaths.co.uk. Once your child has logged in, they will be able to see the homework that their teacher has set for them. There are lesson videos that you can watch together to remind the children of what they should be doing. The work is marked immediately which gives you a good idea of how your child is doing.

Grammar - Years 3-6

Children from years 3-6 also have on-line homework for grammar. We use the website: www.spag.com. Children have been given usernames and passwords so that they can access the work set.

Reading

Children are still expected to read every day and complete an Accelerated Reading Quiz at school.

Spelling Spellings will still be given every week and children will be expected to learn these for a test.

Can't access the internet at home? No problem...

Homework club will run **EVERY** morning from 8am in the ICT suite. Last entry will be at 8.20am.

All children need to bring is themselves plus their username and password for the websites.

Our current homework club will no longer run in the afternoons.

HOMEWORK CLUB IS FREE!

Please speak with your child's class teacher if you have any concerns or need some help.
