Dear Parents and Carers

I do hope you are all keeping well.

I wanted to write to you today, as we go into half-term, to pass on a huge 'thank you' to every member of our community. Every member of the De Bohun team knows the challenges of remote learning - but it has been a success and this would not have been possible without your support.

Even though we have a brilliant remote learning offer, we want to see all children back in school as soon as possible. You may be aware that the Government will outline their 'road map' for easing of the lockdown on **Monday 22 February**, with a view to children beginning to return on Monday 8 March. Even though the Government will outline how children will return to school at this point, the Government's exact guidance will follow in the days afterwards.

Our aim is to write to you by **Friday 26 February** explaining how we will be opening from Monday 8 March.

You can have confidence that our aim is always to open to as many children as we can, as we always have done.

I very much look forward to seeing you all soon.

Take care and best wishes

Mr Smart
