De Bohun Primary School British Values Statement

At De Bohun Primary School we value the diversity of backgrounds of all pupils, families and wider school community.

The Department for Education states that there is a need:

“To create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs”.

Learning 2 Learn Skills

We want our children to become responsible citizens who care for their neighbours, community and the wider environment. It is most important that they understand how to look after themselves in this ever-changing world.

The 'learning to learn' skills are:

- **Relationships**
- **Responsibility**
- **Resilience**
- **Resourceful**
- **Risk-Taking**
- **Reflective**

WHY ATTENDANCE AT DE BOHUN SCHOOL IS SO IMPORTANT

If a child of compulsory school age is registered at a school it is essential that they attend their school regularly and maintain a pattern of good attendance throughout their school career. Excellent attendance at school is important to allow a child or young person to fulfil their potential.

Below are just some of the key reasons why it is so important children attend school:

- To learn.
- To have fun.
- To make new friends.
- To experience new things in life.
- To develop awareness of other cultures, religion, ethnicity and gender differences.
- To achieve.
- To gain qualifications.
- To develop new skills.
- To build confidence and self-esteem.
- To have the best possible start in life.

EVERY SCHOOL DAY COUNTS

Every single day a child is absent from school equates to a day of lost learning. Attendance percentages can be misleading.
