Another fantastic week at De Bohun!

This week Year 4 have been learning all about Vikings in their History lessons. The children have been studying their Gods such as Odin, Thor, Freyja and Loki and the worlds in which they lived. The children have drawn superb pictures on what they have learned as part of their 'WOW Week'.

Well done Year 4!

We are very pleased to announce that Nathan in Year 3 has been shortlisted for the Enfield Mayor's Award for Writing!

Competition for the shortlist was fierce as many Enfield schools entered the competition!

The final winner will be chosen next week at a special event at a school in Enfield and we will let you know how Nathan gets on.

Good luck Nathan!

Year 5 went to the Little Angel Theatre and the children embarked on a unique, interactive adventure.

They watched 'Junk', a puppetry production that brings milk bottles, newspapers and egg boxes to life, sharing stories through the hidden everyday magic we can easily overlook.

Today at De Bohun, Year 3 were given the task of designing road safety posters by their teachers for the upcoming school competition!

There were excellent designs made by Year 3 which showed off their knowledge and understanding of road safety.

A select few posters will be displayed around the school and also prizes will be given out to each year group for the best poster design!
