ONLINE SAFETY FOR PARENTS

www.thinkuknow.co.uk

What to Say to Children:

Keep personal information private / Be nice to others / Ask first - games, sites, apps / Tell a trusted adult

Advice for Gaming:

- Monitor who your child is talking to via messages or headsets
- Use passwords on bank cards many games have in-game purchases
 - Set up time limits on how long they spend playing

Advice for Social Media:

- Check 'Privacy Settings' are being used on social media
- Tell them not to accept friend / follow requests from strangers
 - Ensure that they never share their location

Stay Up to Date:

- www.kidslonlineworld.com
- Website from ECP Ltd "The more you know, the better!"
- Updates via emails and vlogs, full of information for parents
