19th January 2022

Dear Parents and Carers,

Some happy news! The De Bohun PTA (Parents and Teachers Association) is back together, and we would love to hear from if you'd like to be involved -- whether that's a little or a lot.

Our priority is to build a sense of community at the school, supporting this in practical ways as best we can. This can only start with ideas, based on hopes for our children's happy lives.

Currently we are considering regular school uniform exchange, coffee mornings for casual get-to-know, a summer fayre, but before that a chance of an Easter disco. It is only a start.

We're looking to organise a meeting before the half-term break, which could be online (Zoom) or in person, depending on everyone's preference. If you are interested in sharing your views, please email m.debono@debohun.enfield.sch.uk and Matt or Donna will get back to you.

Thank you so much for considering this, and we look forward to updating you again soon.

Best wishes,

The De Bohun Parents & Teachers Association

"From possibility to reality..."
