

Religious Education Vocabulary Progression Map 2020-21

Year Group	Autumn	Spring	Summer			
EYFS	In the Early Years Foundation Stage (EYFS) Religious Education is taught cross curricular as part of Understanding The World which relates to Peoples and Communities and The World. Children are taught through planned activities which are teacher led and also there are opportunities for informal discussions and role play activities to celebrate cultures and religions around the world. Where possible to children will be introduced to the language associated with religion and religious artefacts and places of worship. The children are taught that we are all special and need to respect each other's cultures and faith. We also relate new life with religion too.
