Relationships and Sex Education Consultation

Monday 12 October 2020

Dear Parents & Carers

I wrote to you just before we went into national lockdown in regards to a very important consultation about our Relationships and Sex Education (RSE) curriculum. The Governors and I felt that, due to national emergency, many parents and carers, understandably, were not able to give this matter their full attention. Therefore, I am writing to you today to invite you to again give your comments and feedback on this very important part of our curriculum.

The document that is attached to this letter gives all the important information in relation to our RSE curriculum. This document was put together by our team of staff, representing, Science, Technology, Engineer & Maths, Religious Education & Spiritual, Moral, Social and Cultural development. Their collaboration ensured that this curriculum was strictly science based, was appropriate to the age and religious background of our pupils and ultimately reflects our school's wonderfully diverse community.

Our OFSTED report in January underlined the fact that 'De Bohun Primary School is a place where **everyone** is valued.' This reflects that I very much welcome your questions and feedback on this important element of our curriculum. Your feedback and questions will be considered by our team of staff and governors to ensure that our policy and implementation reflects our school community and its views.

Please do contact me directly at headteacher@debohun.enfield.sch.uk

I very much look forward to hearing from you.

Best wishes

Mr Smart
Headteacher
