Dear Parents!!

## S4K Clubs at De Bohun

We are delighted to have had the opportunity to meet so many children and families through our S4K sessions that we have been running at the school. At Sport4Kids, our aim is to make sure we are continuing to engage children by varying the offering in our sessions and the sports that we offer.

So, after half term we will be offering a different sport every day which we hope will provide an interesting and different structure for those who already attend and spark the interest of some new children to our clubs. You may have a budding tennis; dodgeball or basketball player who would love to join us and we would love to include them.

See below for the list of sports available and follow the links online to get booked in.

## Monday-S4K Dodgeball

This vibrant, fun and energetic game allows all children from all levels to enjoy a competitive sport with our experienced coaches. Children simply love the game and we love providing this activity in an after school setting to allow kids to release energy and learn ball mastery, team work and competitive sport.

## Tuesday & Wednesday-S4K Football

Our highly experienced coaches take football to the next level using session plans developed for our weekend skill and Academy sessions. We focus key football skills such as dribbling, control and trickery, such as step overs, 123 turns and drag backs within super fun games. Classes are based on

## Thursday – S4K Tennis

S4K tennis is based upon researching 5 great players – Nadal, Federer, Wawrinka, Djokovic and Murray. Their strokes get broken down and included in drills, practice sessions and fun games. Children love this chance to try something new and improve their racquet skills.

## Friday – S4K Multi-sport

To make sure we keep kids active and engaged this session will continue as a mixture of games and sports – fast paced; variety and fun is key in these sessions where coaches bring all our sports together and offer choice and range in every session.
