Dear Parents & Carers

Following the Government's announcement yesterday, I can confirm that we will be closed from Friday 20 March for the foreseeable future.

From Monday 23 March we will be open for children of Key Workers and those with EHCP plans. Those parents have been contacted directly and arrangements have been made.

Our staff will work to ensure, as much as possible, they provide opportunities for your children to engage with learning at home and continue the fantastic progress they have made this year. Further information about this will be sent home and emailed over the next couple of days.

I know this is going to be an extremely challenging time for the whole school community, but over the last couple of weeks I have seen first-hand how we have the resilience and community spirit to get through it.

You are not on your own – in addition to being able to contact your child's class teacher, feel free to contact a member of our Senior Leadership Team anytime during this period.

I wish you and your family the very best.

Mr Smart
