Dear Parents and Carers

## **Re: Performances to Parents**

I wanted to write to you today to outline my decision in relation to our school's performances to parents and carers over the festive period. At every stage of this pandemic, I have closely followed the Government's advice and legislation, ensuring the school community remains as safe as possible.

The Government's current guidance is that performances to parents can and should still continue. We will be following this guidance.

To ensure everyone remains as safe as possible, the following mitigating measures will be in place for all of our performances:

- 1. Face coverings must be worn while inside the building and during the performance.**
- 2. Only one member of each household can attend each performance. This will allow social distancing.**
- 3. The performance space will be well ventilated.**
- 4. Hand-sanitising stations will be available.**
- 5. Parents and Carers should not attend if there are showing any symptoms of COVID-19.**

I do understand that some of these measures will be frustrating but as ever, I know you will also understand that by implementing these measures we will be able to keep everyone as safe as possible and still allow our brilliant children to perform.

I must finish by adding that I will be monitoring the Government's guidance very closely and should this change I will let you all know as soon as possible.

Take care and best wishes

Mr Smart
