

SPANISH AFTER SCHOOL CLUB

BY

HELLO FROM PRIYA & ELISA

Bonjour! ¡Hola! Ciao!

We are Priya & Elisa, the team behind Lingotot Southgate and we deliver in-school teaching, after school clubs, lunch clubs, baby and toddler sessions, and holiday camps across a large proportion of North London. We are part of the wider, multi-award-winning Lingotot network.

We are delighted to be working in partnership with De Bohun Primary School to continue to offer Spanish lessons after school for the new academic year.

Our sessions are full of movement, play and music. We work hard to ensure that children enjoy every part of the process of learning and/or practising a foreign language.

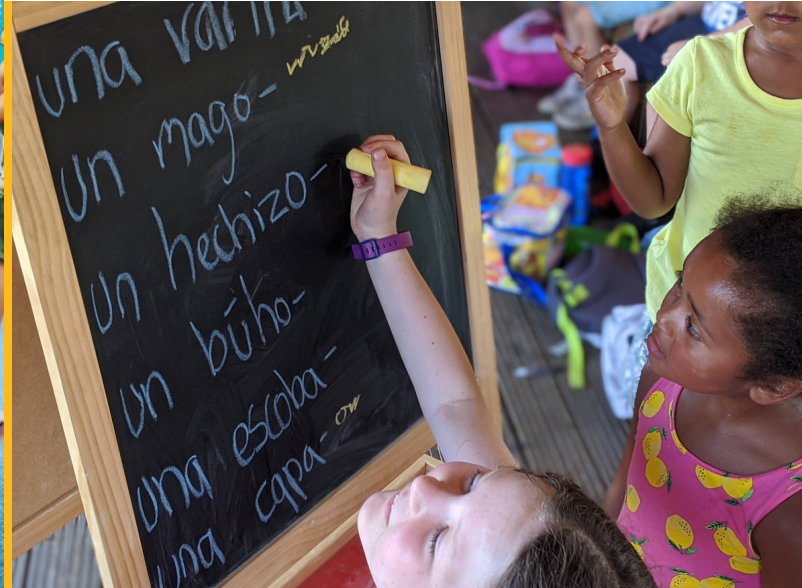

The Lingotot method of teaching is tried and tested - and it works. we hope that your child will be uplifted and happy after each of our sessions. And from what we hear, it won't be long before you find them singing a Lingotot song or speaking in the target language to their siblings or toys - it really is a joy to see the children learning through play, music and fun.

All our After School Clubs follow the same structure:

- Arrival and settling down for 5 minutes colouring the vocabulary of the day. This will enable the children to see in graphic form what they will be learning.
- Welcome songs. We sing three (very catchy) songs to start our lessons and, by the third week, children start giving us (and you at home) impromptu renditions!
- Introduction of the vocabulary with three/four familiar games or team challenges, from "Statues" and "What's The Time Mr Wolf" to "Do It If It's True", or "Fly Swat", or "Simon Says", or even races!
- If time allows, we do a craft and activity sheet to take home and remind us of what we learned.
- And finally, we have a story and little dance at the end to say goodbye.

Our after school Spanish sessions are available to all children at the school. We would love to see your child at our clubs and if you wish to reserve a place on the course, please visit:
