

Thank You Message to All Parents and Carers

De Bohun Governors

Our Purpose

We are volunteers who work with the school to:

- Agree the school's vision and strategy
- Make sure children make good progress with their learning
- Make sure the school's money is spent well

Your children are the life of our school

Dear Parents and Carers,

As the end of term approaches, we wanted to thank you for your efforts.

Without your daily help – bringing your children to school on time, then dealing with homework after a long, tiring day – the school cannot reach its goals for all its pupils. The happy learning atmosphere that De Bohun provides is partly owed to the time that only parents and carers can give.

Many of the school governors have children at De Bohun, and although our role is to challenge and support the leadership team, we know how tricky it can be to balance work, school and home. This is why every comment from parents and carers really does make the school better.

Also, huge credit goes to the children themselves. Their energy at play, careful studies, and respect for each other has been the strength upon which Mr. Smart and his team have been able to build. If we are saying goodbye to your child this summer, it is with some sadness, but huge hopes for their future, and thanks for their contributions to the school.

We hope you enjoy a wonderful summer with family and friends.

If you have a question or suggestion for governors please speak to any one of us or email the clerk of governors janet.balfour@enfield.gov.uk

Summer Fun Day Success!

The Friends of De Bohun raised an incredible £4175 at this year's Summer Fun Day. The money is being used to update the school hall and stage – which is brilliant!

The school governors would like to thank all of the volunteers that made the day possible. It really was wonderful to see everyone taking part on such a sunny day.
