

SCHOOL COUNCIL UPDATE

Mr Smart gave the School Council a challenge. He wanted to create a poster of the De Bohun child.

We chose to create homework that requires for all the students to write down what six qualities they would take from De Bohun Primary School when they left to go to Secondary School.

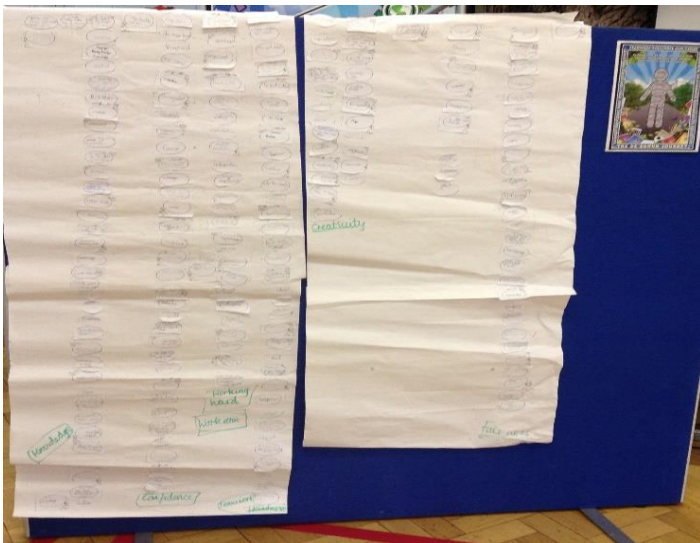

We looked at all the homework pages and grouped them into similar categories-like a graph. Then we chose the six most popular categories and labelled them with titles. These were the six words that we chose:-

FAIRNESS
CREATIVITY
KNOWLEDGE

CONFIDENCE
WORK-ETHIC
TEAMWORK

We then took all of these words in capitals above to Mr Smart and he turned it into an inspirational poster of what the De Bohun child will have in them when they leave to go to Secondary School.

This is the graph that we made of the responses.

Our Poster (in our Entrance Hall)
